TRABAJOS

NOMBRE _____

“RAYOS DE SOL”

Durante el mes de junio vamos a realizar un pequeño proyecto sobre el verano “Rayos de sol”, De este modo, los objetivos que nos planteamos son:

- Conocer algunas características de esta estación.
- Buscar diferencias y semejanzas entre los diferentes paisajes de vacaciones.
- Prevenir accidentes relacionados con el sol y el agua.
- Investigar sobre actividades de esta estación.
- Conocer alimentos, vestido, actividades de ocio relacionados con esta época del año.

(Por favor traer esta ficha para que podamos añadirla a su proyecto)

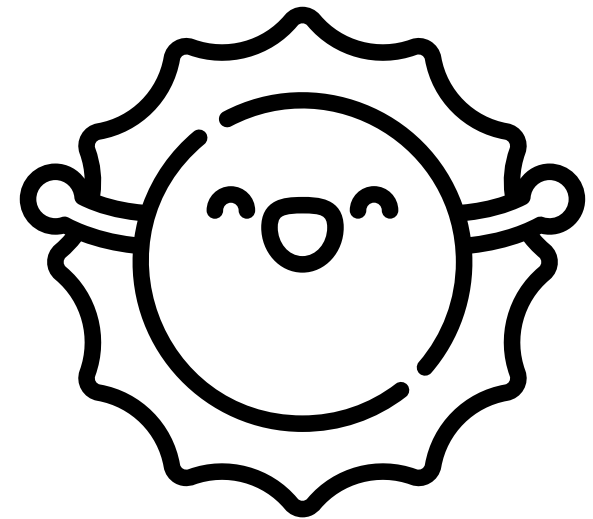

Queridos, papá y mamá:

En el cole vamos a trabajar sobre:

El verano

Por eso nos tenéis que ayudar a buscar muchas cosas sobre esta estación: Podemos traer cuentos, juegos, canciones, adivinanzas, fotos, disfraces (de peces, bañadores...) muñecos, marionetas, películas, otros libros, información de internet...o cualquier otra cosa que se les ocurra.

POR FAVOR, DEVOLVED ESTA FICHA A LA SEÑO QUE ES LA PRIMERA DE MI PROYECTO
