

NAME: _____

TEACHER ÁLEX

SCIENCE: SEMANA DEL 16 AL 20:

Buenas, os explico como tenéis que trabajar esta semana:

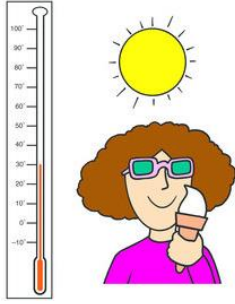

Trabajaremos "The weather", el tiempo atmosférico de la siguiente manera:

1º Observa y lee las imágenes con sus nombres, recuerda como lo trabajamos y pronunciamos en clase. Para memorizarlo, puedes hacer diferentes dibujos y escribir el tiempo tal y como aparece en las fichas.

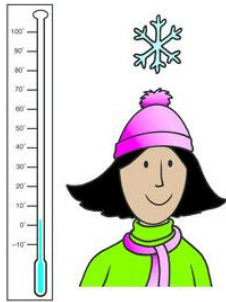

2º Lee y copia. Lee las palabras dadas y copia 3 veces cada una en la pauta (en tu libreta).

3º Observa y escribe. Ahora tienes que mirar las imágenes y escribir qué tiempo hace. Para hacerlo de forma rápida, enumera las imágenes (ponles números 1, 2, ...) y escribe las respuestas en tu cuaderno.

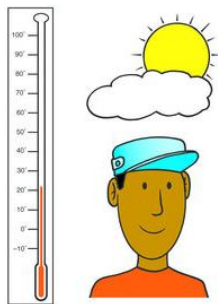

Un abrazo y mucho ánimo.
